

Based on resolutions with the Office for Civil Rights in 2022 resulting from my civil rights complaints, nearly 100 US colleges and universities agreed to change, discontinue, or stop promoting 170 female-only or BIPOC/Black-only programs, awards, fellowships, and scholarships to correct their Title VI and/or Title IX violations.

Mark J. Perry (12/30/2022)

1	Utah Valley University	"Girls' Engineering and Technology Day" now open to all
2	Texas A&M University	"All GIRLS: Advancing into STEM Fields" now Advancing into STEM and open to all / "Thomas Gaddis Girls' STEM Camp" discontinued
