

On August 12, at about 6:41 p.m., Humboldt County Sheriff's deputies were dispatched to a turnout in the area of South Jetty Road and Table Bluff Road in Loleta for the report of a male, later identified 53-year-old Clinton Monroe Ellis-Gilmore, exposing himself in the driver's seat of a parked vehicle. According to numerous witnesses, Ellis-Gilmore had been at that location for approximately one hour, sitting in his truck with the door open, masturbating. The conduct does not appear to have been directed at anyone in particular. Deputies arrived in the area and took him into custody without incident.
